REQUEST FOR EXPRESSION OF INTEREST

For

**SUPPLY AND INSTALLATION OF WASTE HEAT RECOVERY AND POWER
GENERATION PROJECT ON EPC BASIS**

Introduction

Gujarat Sidhee Cement Limited (GSCL), Sidheeagram, Gujarat, part of the Global Mehta Group, having cement production capacity of 4500 TPD (with four stage preheater, separate calciner with pendulum cooler) being modernized to achieve the capacity of 5000 TPD invites eligible firms, to indicate their interest in the installation of Waste Heat Recovery and Power Generation project on EPC basis at our Sidheeagram plant.

Firms interested in expressing interest shall demonstrate that they are capable of supplying, installing and commissioning state of the art equipment with the latest technology to harness power from the existing plant installation. They shall also demonstrate their capability of supplying, installing and commissioning a power generation plant on EPC basis. The generated power is intended for use in the clinker manufacturing production line.

Brief scope of the assignment:

- **Waste Heat Recovery (WHR)** – Design, manufacturing, Supply, installation and commissioning (EPC basis) of equipment for waste heat recovery whose objective is to generate power to meet part of the cement plant demand by harnessing the available waste heat from the kiln and clinker cooler transforming this into useful electrical energy.
- **Power Generation** - Supply, installation and commissioning (EPC basis) of equipment to generate power using cost effective methods.

Time Frame:

Expected ordering - July, 2013 with expected completion on or before January, 2015. The EOI must remain valid for at least four months after the submission date. During this period, the bidder is expected to keep available the professional staff proposed for the assignment.

Eligibility Criteria:

Interested firms shall demonstrate the following and filling in details requested in annexure A: -

- That they are the holders/owners of the technology or have direct link to the technology holders for correspondence, knowledge transfer and support during operations/ period of contract with us.
- They have relevant experience in designing, manufacturing, supplying/ installation and commissioning similar projects on EPC basis indicating references of previous installations and commissioning and the period of presence in India and abroad; willing to take up operation and maintenance contract for a period of about 5 years, if awarded
- Those who have completed cement plant waste heat recovery system installation by themselves or sourcing equipment and installed with/ without their collaborator and operating satisfactorily.
- Bidders executing projects, which are under advanced, stage of installation and likely to be commissioned within next 2/3 months time.
- Should have a minimum annual turnover of INR 100 Crores (or equivalent in foreign currency) in the any of the last two years of three years, FY. 2009-10, 2010-11, 2011-12.
- Consortium of not more than two companies/ organizations may also apply and will have to give a joint letter about the lead partner and MOU.

Selection Criteria:

EOI submitted by the firms exhibiting adequate skills and experience in the following areas will be considered.

- Those who have necessary competence and experience in cement plant waste heat recovery power generation management in the past.
- EOI to be supported with Audited balance sheets for last three years.
- Detailed background and structure of the firms, brief profile of the company, year of establishment etc. as per annexure A.
- The firms short-listed on the basis of evaluation of experience, may be asked to make technical presentation before evaluation committee. In this regard, a separate communication shall be sent to all short listed bidders.
- Manpower Resources – Qualification and hands-on experience of personnel executing the WHR power generation jobs
- Indicative cost of the generated power (INR/KW) and operating costs per year (with detailed breakdown)

Submission of proposal:

Interested, eligible, qualified and registered bidders may send their Expressions of Interest to the address below, so as to be received on or before 6.00 pm Tuesday, April 30, 2013.

Proposals submitted after the closing date and time will be rejected.

Gujarat Sidhee Cement Limited reserves the right to accept wholly or in part, proposals submitted for consideration and does not bid itself to accept the proposals or give any reasons for its action.
